Birthday Wishes of Long Island—the only nonprofit organization providing birthday parties to children in 67 LI family homeless shelters—is looking for individuals, businesses and corporations to commit to participate in our Food, Wine and Wishes Fundraiser.

Our mission is simple: to provide birthday parties to children experiencing homelessness. We believe that all children, regardless of their living situation, deserve to celebrate their birthdays joyfully, surrounded by family, friends, and others who care. We need your help!

This event brings local restaurants from Long Island, and community members together to raise funds to support Birthday Wishes' programs and services. We have limited opportunity for Corporate Sponsors and we would like to invite you to consider supporting Birthday Wishes of Long Island.

CORPORATE SPONSOR LEVELS

All sponsors will be recognized on auction displays and publications of the event, as well as on the event website, and logos/names will be shared on our Facebook page that is followed by more than 3,500 Long Islanders.
